

Course of Fire

Steel Challenge

- 5 pieces of Steel. Must hit each piece 1x to move on to the next one.
- Must shoot Left to Right
- The “Stop Plate” has a red X. That has to be the last plate shot
- If the Stop Plate is hit before you are done, it’s a 10 second penalty
- No reloading. Failure to “Finish” with one magazine is a NO GO for that evolution.
- More than one NO GO is a 50 Second Par time.
- Single Stack Pistol Mags are highly discouraged
- You will get 5 attempts, You get to drop your slowest time
- An average of your 4 best times will be your score
- Lowest Score wins

Long Range Accuracy

- 25 yards on an Illinois State Qual Target
- Shoot 10 rounds in 45 seconds
- Any shots over the 45 second mark do not count. Scorer will take off one of your highest scoreable hits if you go over time
- Shoot it 3 times, add up your total points and that is your Score

Speed & Accuracy

- Shoot 5 rounds in 7 Seconds
- If you go over time, Scorer will drop one of your highest scorable hits
- Shoot it 3 times, take your total score and that is your overall score
